DECEMBER 2016

WINTER REMINDERS - SNOW ACCUMULATION AROUND FIRE HYDRANTS:

A newly adopted law requires the owner of a property which abuts a fire hydrant to remove any snow which may accumulate within 24 hours of the snow coverage. Failure to remove the snow may result in a bill for snow removal service in an amount not to exceed \$75.00.

When streets are snow covered in the Borough, residents are reminded that vehicles may not be parked on any major road until the snow has stopped falling, and the streets have been plowed to the extent that parking will not interfere with the regular flow of traffic. Also, the owner or tenant of a property bordering a sidewalk is responsible for the removal of all ice and snow within twelve (12) hours after it has accumulated.

HOUSING REHABILITATION PROGRAM: The Borough's Housing Rehabilitation Program is currently accepting applications from qualified homeowners or investor/owners of rental properties who wish to make improvements to their property in order to bring it up to Code compliance. Funds are available for existing units of residential properties which are occupied by low & moderate income persons. Please call 609 371-1937 for more information.

PET LICENSE RENEWALS: Renewal applications for pet licenses will be mailed out in January. Proof of rabies vaccination through October 31, 2017 must be provided in order to obtain a license. The fee for neutered dogs is \$11.20; for non-neutered dogs, the fee is \$14.20. The fee for a cat license is \$10.00. Late charges will be applied after February 28, 2017.

PARKING PERMITS: Parking permits for businesses and commuters will expire on December 31st. Renewal applications are available at Borough Hall, 51 West Main St., Freehold and online at www.freeholdboroughnj.gov.

HOLIDAY TRASH SCHEDULE: Trash will not be collected on Christmas Day, December 25th, and New Year's Day, January 1st. Discarded Christmas trees may be placed at the curb for collection during the month of January.
