September 2016

---

**FALL HYDRANT FLUSHING:** Fall flushing of fire hydrants will be conducted on Wednesday, October 19th, starting at 8:00 a.m. and continuing until all flushing has been completed. Residents may notice lower water pressure and a slight discoloration of water as the flushing is performed in your area. The discoloration is not harmful and will clear up if you allow the water to run for a few extra minutes. Flushing is done twice a year in order to remove any sediment that may accumulate in low flow areas of the water distribution system. The operation maintains the overall excellent water quality in our distribution system and ensures that each fire hydrant operates properly.

**BRUSH COLLECTION:** Curbside brush collection will take place in the Borough during the month of October. Limbs must be cut in lengths of 4 ft. or less. Residents also have the option of bringing their brush to the public works yard located at 161 Center St. on the first Saturday of each month between the hours of 7:00 a.m. – noon.

**LEAF COLLECTION:** Leaf collection will commence in the Borough on November 1st. Leaves may be raked in loose piles to the curb, or they may be placed in open, clear plastic bags.

**DISPOSAL OF ELECTRONIC DEVICES:** Electronic devices such as computers, monitors, and television sets must now be recycled. A dumpster dedicated for these items is located at the Borough yard at 161 Center Street. It is the resident's or business owner's responsibility to transport these items to the collection site.

**BOROUGH WIDE YARD SALE:** The Freehold Borough Recreation Commission will host the 9th annual Borough-Wide Yard Sale on Saturday, October 1, from 9:00 a.m. – 3:00 p.m., rain date October 2nd. Last year, over 100 families held yard sales at their homes. Applications are available on line at [www.freeholdboroughnj.gov](http://www.freeholdboroughnj.gov) and at Borough Hall, 51 West Main St., Freehold, NJ 07728. A garage sale permit is not required for this sale.
