Mission Statement: The Freehold Community Garden strives to develop a community of citizens who work together to create a successful community garden and improve their community and beyond. The garden provides the opportunity for participants to grow their own fresh produce, as well as produce that will be donated to local organizations and individuals in need. The garden also provides educational opportunities for all ages to learn about gardening, sustainability, and wellness.

2016 COMMUNITY GARDEN SEASON: MEMBERSHIP RESPONSIBILITIES AND RULES:

1. I will remove trash and keep weeds down on my plot and the walkways surrounding both sides of my plot. **All diseased or pest infested plants must be removed immediately or will be removed by the Garden Leadership Committee.**
2. I will ensure that my plot will be cared for in my temporary absence (example: vacation), or if I must abandon my plot for any reason, I will notify the Garden Committee of my arrangements.
3. If my plot becomes unkempt, I understand I will be given 1 week's notice to clean it up. I further understand that failure to do so may result in forfeiture of my plot. Forfeited or abandoned gardens will be assigned to the next person on the waiting list. Gardeners who continue to neglect their plots may not be invited back the following year.
4. I will remove ALL plant material including weeds, perennials as well as decorative objects or structures and bring it back to its original state at the closing of my plot.
5. Only one plot per household or address can be rented.
6. I agree to contribute volunteer hours toward community gardening efforts as needed.
7. **I will participate in the fall clean up of the Garden and at least 1 or 2 other mandatory work days: March, August, and November.**
8. **If my row has an automatic irrigation hose I must also volunteer for weekly water turn on/off duties.**
9. I will pick only my own crops unless given permission by another plot user.
10. I will use only OMR (Organic Materials Review Institute) approved products for pest and weed control in my plot. A list of these products will be posted at the garden.
11. I will turn off all water spigots including main, diverter and hose sprayers after use, and coil all hoses neatly on the post provided. I will NOT drag hoses through someone else's garden plot.
12. I will transfer all garden waste to the designated curb area in a neat manner during designated pickup months. During non-designated months I will take all waste material home.
13. I will clean and return all community garden tools to the shed after use. I will NOT harm, interfere with or remove tools from any plot.
14. Any small children that accompany me will be supervised by an adult at all times.
15. I will NOT consume alcoholic beverages or smoke anywhere on Borough of Freehold property.
16. The following crops are not allowed and will be removed if planted: corn, sunflowers, and invasive plants such as mint. NO growing structure (trellis, cage) can be over 5 feet tall. Crops grown over 5 feet will not be allowed except asparagus grown in the weed and harvest plot. No crops shall shade a neighboring garden.
17. The planting of mono crops is prohibited. Crop rotation (especially tomatoes & potatoes) from year to year is vital to the health of the soil.
18. Respect for not only the garden, but also respect for each other is necessary to create an easy going & friendly atmosphere. Please maintain good relations with all other members of the garden.
19. All Previous applications are invalid.

Plots are assigned annually on a first come - first serve system based on previous years' participation. Freehold Borough residents will be given first preference. If no plots are available, the Garden Committee will keep a waiting list and will notify interested parties as space becomes available. Full size plots will be about 100' square. Raised plots will be about 48' square. Season dates are from March 15, 2016 to October 31, 2016. Open daily from Dawn – Dusk. Communal plots are intended to be worked and shared among gardeners. PAR (Plant a Row) gardens are intended to grow produce to be harvested for donation to local food banks. Communication and updates as needed via email and/or posting on the bulletin board in the Community Garden.
