Thanks to the residents of Freehold Borough for embracing and engaging in  
Participatory Budgeting.

Municipalities across New Jersey are rolling out Participatory Budgeting and the  
Borough should be proud that early on we embraced the benefits of civic  
engagement through PB and continue to do so.

Anyone interested in joining the Participatory Budgeting Committee please reach  
out to Ron DeMarco, PB Chair [grandpao538@gmail.com](mailto:grandpao538@gmail.com) or Councilwoman  
Annette Jordan [ajordan@freeholdboro.org](mailto:ajordan@freeholdboro.org) to volunteer. It's an exciting  
groundbreaking committee to serve on.
