

Freehold Borough Recreation Commission

The goal of the Freehold Borough Recreation Commission is to ensure that no Freehold Borough child is shut out of participation in an activity due to financial issues. We offer limited financial assistance in the form of scholarships for Freehold Borough residents who qualify.

The following procedure explains how we will consider requests for scholarship funding by a provider recreation organization.

Name of Organization: _____

Contact person: _____ Position: _____

Email: _____

Phone Contact Information: _____

Please schedule a meeting with the Freehold Borough Recreation Commission which meets on the third Tuesday of each month at 7:00 p.m. at Freehold Borough Hall in the upstairs conference room. Contact Pat Rugger at (732) 462-4200. This meeting should be in advance of your group's registration.

Bring to the Recreation Commission meeting the previous year's budget of your organization and an accounting of actual expenses, the current year's budget, and an explanation of the costs assessed to each player.

Please explain your organization's qualification criteria for scholarships:

How do you notify parents or guardians that their child will receive a scholarship?

Is there consideration for home-schooled children?
